

The Wheel of Life

A quick check-in on the eight areas of your life. Set aside 10 to 15 minutes, take a pen, and answer honestly. There are no right or wrong scores, only a snapshot of today.

1 Rate

For each area, ask: how satisfied am I today? The centre is 1 (not at all) and the outer ring is 10 (completely).

2 Shade

In each slice, colour in from the centre out to your score. Use a different shade if you like.

3 Notice

Look at the shape. A smooth wheel rolls easily. A lumpy one shows where the ride feels bumpy.

Reflection questions

1 Which slice, if it moved up two points, would change the rest?

2 Which area is strongest right now? What is working there that you could carry into another area?

3 What is one small step you could take in the next seven days?
